Data center
TIER III

Data center: **TIER III**

Average uptime on our servers:
99.98%

- The guarded data center is located in Tashkent and complies with international standards – TIER III (Uztelecom JSC)

- The data center is equipped according to high reliability standards. It has a video monitoring system, fire extinguishing, and uninterruptible power supply.

Our CEO, Almaz Danaev.

Hello!
My name is Almaz Danaev, I am the CEO of AIRNET.uz.

Since the foundation of our company, we have been striving to provide high-quality and reliable hosting services to both individuals and corporate clients in Uzbekistan. Our goal is to ensure the highest quality of service at competitive prices.

AIRNET.uz is a platform where you will find everything you need for the stable and secure operation of your online projects:

- Cloud solutions and VPS servers
- Domain registration
- Corporate mail
- Full technical support 24/7

We cooperate with leading banks and payment systems of Uzbekistan, providing convenience and flexibility in payments.

Our team will be happy to select the best solutions that fully meet the requirements of your business.

Thank you for your attention!
